

The battery belt grinder ABC 7 is a good choice for work in places difficult to access. The grinding and polishing belts can be changed in seconds, enhancing greatly the work rate in the field. The standard equipment includes a universal contact arm that can be used with belts 3, 6, and 12 mm wide. For the greatest possible flexibility, there are 6 different contact arms available for belts 3–19 mm wide. The ABC 7 works at 7,000 rpm, and its 2.4 kg also makes it a maneuverable and powerful lightweight.

Belt grinder ABC 7, the ideal companion for maneuverable grinding.
